MEMORANDUM FOR: Special Assistant to the Director for Planning
SUBJECT : Recognition for Mr. Arthur C. Lundahl

1. I am submitting herewith Mr. Cunningham's memorandum to me on the Lundahl award question. You will find my proposal at Attachment A of his paper, it being a Letter of Recognition. This is provided for in the attached Regulation R 20-635 on page 3 and marked in red.

2. You will also find Cunningham's proposals for language in case a Certificate of Merit award is presented. This is the next to last paper in his memorandum to me.

3. I really have no strong feelings about which form of recognition should be applied in Art's case. In view of your comments to me on Monday, it may well be that the Letter of Recognition is more appropriate now, leaving until later developments one of the awards.
